

AP GU10-D 3W (Item No. 20102)

Features

- Long lifespan
 - Instant start, no flashing
 - Solid State, shockproof
 - 70%~80% energy-saving
 - Long time working, 12 hours/day is perfect, produce low heat
 - No RF Interference
 - No mercury or other hazardous materials, accord with RoHs
 - Working environment -20°C-40°C, suitable for unusual climate
 - Low maintenance cost
- Suitable for hotel, restaurant, OK hall, home, shop, show window, etc.

Specification

- Number of LEDs:** 3*1W LED (Epileds)
- Voltage:** 90-260V
- View Angle:** 30/ 45/ 60/ 90degree
- Color Temp:** 6000K (white) and 2800-3000K (warm white)
- Power Consumption:** 3 Watts
- Color Available:** White, Warm White
- Lumen:** 242lumen (white) and 228lumen (warm white)
- Dimensions:** \varnothing 50*H55mm
- Life:** 30,000 h
- Certification:** CE RoHS Approved
- Warranty:** 1 year
